2021 OFFICIAL JUDGING SHEET

CATEGORY: _____

JUDGE'S NAME: _____

Each and every cook here has worked hard in the elements to put together the very best barbeque that they could. Keep that in mind as you judge today. Be as fair and impartial with each of the entries as you can.

CRITERIA

Each plate of barbeque is to be judged on the five criteria to arrive at a single score of 1 to 10, 10 being the highest. Only whole numbers are to be used.

The five criteria are:

- AROMA** In your opinion, does it smell like barbeque?
- COLOR** Overall appearance: is it appealing to the eye?
- TEXTURE** Is it moist or dry, tender or tough?
- TASTE** How is the smoke taste, spice taste, the overall palate appeal of the meat/spice combination?
- OVERALL** The final criteria, overall effect: what is your total impression?

Take all five criteria into consideration and score from 1 to 10, 10 being the highest. Line letters match container letters.

Make your decision the first time because each judge is given only one piece from which to sample. You are judging each barbeque on its own merit. Do not compare one against another. Scores from the judges will determine the winners.

Please do not talk to your fellow judges or compare notes and scores. If you have a question, please ask your judge assistant. All of the cooks and officials appreciate your interest in judging for this cook-off.
