

Shreveport's Inner City Connector

**We want to know what
you think.**

NLCOG is conducting an environmental study* to guide the decision of whether an **Inner City Connector** should be constructed to link current I-49 with I-49 at I-220.

* A Federal agency must prepare an Environmental Impact Statement (EIS) if it is proposing a major federal action significantly affecting the quality of the human environment.—*A Citizens' Guide to the NEPA 2007*
